- GSA Schedule 70 – GS-35F-0569V
- GSA PSS – GS-00F-035GA
- PBGC – 16PBGC-18-A-0007
- FAA eFast – DTFAWA10A-00111
- Navy Seaport-NxG – N00178-21-R-7000

**Cintoot – SBA Certificated 8(a), HUBZone, WOSB**

- GSA Schedule 70 – 47QTCA18D00K3

## About Us

**Ulu HI-Tech is a DevSecOps company with a heart to serve our country and the people of Hawaii.** Our leadership team has 39+ years of experience as a commercial and government contractor in IT operations and management, with a deep understanding and respect of Pacific Island cultures. This combination lets us seamlessly work with continental and local teaming partners, creating agile, adaptable solutions that put people first.

## What We Do

We specialize in **DevSecOps**, which is the practice of integrating operations and security at every stage of software development. This allows us to create a truly agile development pipeline that sets our clients up for long term success.

We eliminate operational “surprises” that cause delays. We identify and address security risks ahead of time. We deploy valuable software quickly and often.
