ULU HI-TECH

OUR DIVERSE CLIENTELE

OUR PARTNERSHIPS

We partner with several vendors to provide their software and services through our certified engineers.

OUR IMPACT

Ulu HI-Tech's **mission** is to empower our community by delivering results-driven solutions through our cutting-edge enterprise technology.

Our **vision** is to grow Hawai'i into a global center for technology, increase Hawai'i's talent retention rate, and spread prosperity through education and career opportunities.

Through **Ke Kumu 'Ulu**, our parent company and a Native Hawaiian Organization (NHO) non-profit, we are providing children in Hawai'i with robotics kits, computer lab equipment, and more to nurture the next generation of coders, developers, and technology innovators.
